Thanks for the response. Also, I forgot to list three other open source books that I used for reference:

Who Becomes a Terrorist and Why - Hudson
Preventing Suicide Attacks - Aman
Tremor in the Blood - Lykken

The manuscript is written to be a book for publication.
Also, I left the organization as an overt employee.

Any other questions, please feel free to call me anytime at [   ] (b)(6)

Thanks,

Kevin Shipp

Attached please find my book manuscript for pre-publication review. Also attached is a letter describing the open sources I used for research on the bulk of the manuscript.

Thanks for your help,
